

Cub Update

Social Skill of the Week:

I Will Not Copy Others

Character Trait:
Responsibility

1. Research shows that missing 10% of school, or about 18 days in most school districts, negatively affects a student's academic performance. That's just 2 days a month!
2. Poor attendance can influence whether children read proficiently by the end of third grade.
3. When students improve their attendance rates, they improve their academic prospects and chances for graduating.
4. **Currently, only 84% of CPS students are attending regularly (90% or more of the time). WE CAN DO BETTER!**

EXTRA CLOTHES

Please remember to keep an extra set of clothes in your child's backpack. Pants, underwear, shoes, socks, and shirts are all needed if your child falls in the mud at recess, has an accident, or trips into a puddle.

THANK YOU!

Do you think your child's teacher is extra special and AMAZING? Please take a look at the TEACHER OF THE YEAR website to see how you can nominate her for Oregon's TEACHER OF THE YEAR!
