

Philomath Parents, Athletes, Spectators, and Community Members,

As we move in to OSAA Season 4 activities the high school would like pass along some important information and reminders. Masks are required indoors at school facilities regardless if you are vaccinated or not. The mask mandate will allow us to finish the school year in our current in-person educational model as well as have a graduation that is as close to “normal” as possible. Remember that it is not about you or how you feel about wearing a mask, it is about the kids. We do not want to be forced to stop play in the gym or potentially forfeit a game because an individual in the stands refuses to wear a mask.

Basketball Game Information for Parents:

Home games – tickets will be issued to players (6 tickets per Varsity player, 4 tickets per JV/JV2 players). Spectator numbers are based on capacity allowed for the current metrics.

Road Games – 20 tickets will be issued to coaches to distribute to varsity players – priority to seniors.

The individual using the ticket must write their name & phone number on the ticket and turn it in when they enter the facility. This is for contact tracing purposes.

Wrestling Information for Parents:

All wrestlers will be issued 6 tickets for home competitions. We do not know what (if any) the allotment will be for away matches. It will depend on gym capacity and county metrics of the host school.

Swimming Information for Parents:

Unfortunately due to the capacity of our pool and most high school pools, spectators will not allowed at swim meets. Contact Coach Mikula if you are interested in volunteering as it is the one way you would be able to see your student swim.

Streaming Information:

All varsity and JV basketball games and home wrestling matches will be streamed on the NFHS Network. You must subscribe to the service, it is \$10.99 a month or \$69.99 for a year.

Mask Mandate:

All spectators/players/coaches/Officials/Game personnel are required to wear a mask while in the facility. Refusal to wear a mask will result in the removal of the individual from the facility.
