ATTENDANCE MATTERS!

We are teaching our students that school attendance is **VERY** important. Missing just one school day can make a big difference in your child's school success. Please plan appointments, vacations, etc. for a time that does not disrupt school attendance. **THANK YOU!**

CPS/PES PARENT CLUB

September 11th will be the first CPS/PES Parent Club meeting for the 2018-2019 school year. The meeting will be held at **PES in the library @ 7pm**. All CPS and PES parents are invited and encouraged to attend.

At this first meeting, there will be discussion about what parents want to see accomplished for the school year, as well as some general information about CPS/PES Parent Club. What fund-raisers do parents want to do? How do parents want to spend the money in the account now, plus fund-raised money? What events/activities/projects do parents want to do?

We hope to see you there! Your input and involvement is very important to the continued success of CPS/PES Parent Club. Please bring another parent along with you. :-)
