Co-Presidents Abigail Brown and Brooke Moade accept the OSAA Cup on behalf of the Philomath Student Body.

PHS Wins OSAA Cup

"This award is truly a community award. It is an award that exemplifies true pride in which teachers, faculty, parents, and students have for Philomath High School." - Kelly Foster, OSAA

PHS won the OSAA Cup for the second time for the 2021-2022 school year. The cup, previously known as the Oregonian Cup, is awarded based on excellence in athletics, academics, activities and sportsmanship. Schools in each classification are awarded points based on how well their athletic teams and activities do in state play-offs and the academic all-state program. There is also a sportsmanship component.

The OSAA Cup has been awarded 21 times since its creation.

PHS has finished in the:

- Top 10 - 18 times
- Top 4 - 12 times
- Top 2 - 5 times

Philomath also received the award for the 2010-2011 school year.

All of the high finishes speak to the dedication and hard work of our athletes, coaches, parents, and teachers and the support from the community.
