

Cub Update

As we continue to carefully watch the Oregon metrics to determine whether or not students may return to in-person schooling, we are seeing case counts in Benton County continue to rise.

This information confirms that **schools in Philomath will not be able to open for either Hybrid or In-Person learning models on Tuesday, November 3rd.**

We will be reviewing weekly data to make determinations about possibly returning students to school on

Tuesday, December 1st.

Weekly Calendar October 26-30
