**Parent-Teacher Conferences**

April 14-15 = NO SCHOOL

**Kindergarten Orientation**

Tuesday, April 19th  
7:00-8:00pm via ZOOM

## PE NEWS

Hello Clemens Families!

In Physical Education class this week, students practiced controlling a ball with their feet "soccer style". In the first class of the week students weaved around cone obstacles controlling a soccer ball, followed by the game soccer Red light green light and soccer Sharks and Minnows. The second class of the week, students ran laps and then practiced with a partner trapping a soccer ball pass by blocking it with their feet and legs and getting the ball to stop. And finally a classic game "What time is it Mr. Fox". I look forward to another fun-tastic week of Physical Education next week!

Sincerely,

Mr. Nick Burnett
