

Cub Update

A NOTE FROM PRINCIPAL COUTURE:

We are very excited to have our students here, in person, to start the 2021-2022 school year! The past two days with kids have been terrific. There have been giggles and smiles, and proclamations of "this was the best day ever", which is what we want to hear from our eager little learners!

Next week we begin the official start of the school year with ALL STUDENTS IN PERSON. You may have noticed that drop off/pick up can be challenging. We thank you for your patience as we get the kids used to the routine. With all students in attendance on Monday, you can anticipate an even longer wait time. This will quickly become faster once we get our students used to the routine and begin to recognize which car/parent belongs to which child. Please be patient with us we ensure our students are getting where they need to go safely.

****If you are changing pick-up plans for your child, please make sure you call the front office to notify us by 2:30pm. For example, if your child typically rides the bus every day, but you decide to pick her up via car instead, you need to call us so we can make sure we have her with the car riders instead of the bus riders. This will eliminate confusion and make pick-up time run a lot smoother and faster. THANK YOU!**

NEXT WEEK

September 13 - September 17

MONDAY: All Students Attend

TUESDAY: Normal Day

***PTO Meeting @ 7pm in CPS Library**

(6ft. distancing and wearing masks will be expected.)

At this first meeting there will be discussion about the things parents want to see accomplished for the school year, as well as some general information about the Philomath PTO. What fund-raisers do parents want to do? How do parents want to spend the money in the account? What events/activities/projects do parents want to do? We hope to see you there! Your input and involvement is very important to the continued success of the Philomath PTO. Please bring another parent along with you. :-)

WEDNESDAY: FIRE DRILL @ 10:45am

THURSDAY: Normal Day

FRIDAY: Early Release Day @ 12:25pm

Hello Clemens Families,

My name is Mr. Nick Burnett and I am the P.E. Teacher for Blodgett Grade School and Clemens Primary. Last year I began at Clemens in February as a long-term P.E. substitute teacher and I am excited to return this year and be the regular gym teacher.

Every student has P.E. every school day Monday through Thursday and no P.E. on Friday due to the early dismissal schedule. It is important that students wear athletic shoes or running type shoes that support the ankle and cover the whole foot for safety. Or they can keep a pair at school to change into before class. If this is an issue please let me know. In class we work on fundamental movement skills, sport skills, performing exercises, and cooperation games. If you need to talk with me about anything feel free to email me at Nicholas.burnett@philomath.k12.or.us Thanks...

Mr. Nick Burnett
P.E. ROCKS!!
