MASK or NO MASK?

On Monday you will have the choice to send your child to school with or without a mask. THE CHOICE IS YOURS! All staff will be instructing and encouraging students to be respectful of each others' personal choice. You may see teachers wearing and not wearing masks as well. It is important to remember that masking is now a personal choice, and all of us deserve to be respected even if we disagree with another's view point. What a great opportunity to practice this skill!
