

# Cub Update

## SURVEY RESULTS

## A NOTE FROM PRINCIPAL COUTURE:

Results from our K-3 Learning Options survey (above) show us that we have enough families interested in the Comprehensive Distance

Learning (CDL) option to have 1 KG teacher and 1 first grade teacher teach a CDL class for the remainder of the year. This means class placements will need to change a little bit to accommodate a CDL classroom.

On Monday, September 21st, you will find out if your child has been switched to a different teacher or day of the week in the (YELLOW or BLUE). This letter will be placed in your child's Monday packet. I tried to keep students placed with their original teacher, but students in Miss Ochs' and Miss Rain's classes will be shifted unless remaining in the CDL model for the year. This resulted in the need to make a few other switches due to class sizes and student needs. I apologize for the needed change, but feel this is the best way to support our community and families as we plan for school health and safety during this ongoing pandemic.

## NEXT WEEK

(September 14 - September 18)

**MON: 1/2 Day CDL**

**TUES: FIRST FULL DAY OF CDL**

**WED: NORMAL CDL DAY**

**THURS: NORMAL CDL DAY**

**FRI: NORMAL CDL DAY**

## Chromebook Distribution

Chromebook delivery has been significantly delayed due to mass ordering and now the fires. Our most recent estimate on delivery is early October. We are SO SORRY for the delay and are doing everything in our power to get a device into your hands as soon as possible.

## FREE LUNCHES

**11:45 - 1:00pm @ CPS daily**

Every Thursday -  
Fresh produce from *Gathering Together Farms* will be given away during the lunch pickup. All are invited! Everything is fresh, local, organic, and best of all, **FREE!**
