School Supplies:

All school supplies and items from student desks will be available for pick-up on **Friday, May 15th**. All items will be bagged and placed on the Pick-Up table in front of the school on that day.

All Philomath schools will be clearing out student desks and lockers during the week of **May 11-15**. If you need to collect items from PES earlier during that week, in order to coordinate your supply pick-up to a single day across all schools, please simply let us know. We will be happy to have it ready for you.

5th Grade Students:

Just a few updates for our 5th grade students and families...

Two things are currently in the planning stages for you.

➤ **5th Grade Celebration**

Since we cannot all be together, we are planning a virtual celebration to honor our current 5th grade students. We cannot let this important milestone go by without some form of recognition. Stay tuned for additional information.

➤ **6th Grade Orientation**

Philomath Middle School is making plans for 5th Grade Orientation this spring, to be scheduled for later in May. Coupled with a few lessons conducted by Mr. Panico, Philomath Middle School Counselor, and Mrs. Williams, PES Counselor, this video event will share additional information about your move to Philomath Middle School in the fall. Additional information will follow soon.
