Big Blue assembly celebrates cross country victory

A Big Blue assembly is where we celebrate our state championship team and present the Big Blue OSAA State Championship trophy to the student body. Congratulations to our girls cross country State Championship team.

Head Cross Country Coach Joe Fulton shares his thoughts about the championship season.

Co-captains and juniors Hallie Morrison and Hanna McDaniel speak on behalf of the team and present the trophy to ASB.

Blood Drive

The Philomath High School blood drive was held on Tuesday, Nov. 14. We had a great group of students and staff show up and donate blood! Forty-four units of blood were collected, exceeding our donation goal.

Cross Country

ASB also wants to congratulate the girls' cross country team on their state championship win, celebrated in Tuesday's Big Blue assembly.

Giving Tree

ASB will be setting up the giving tree in the next couple of weeks. If you can, consider taking a tag off the tree and donating a gift for a child this holiday!

R.E.A.L. talk about attendance

Attendance Works created a framework to help explain the importance of showing up. Showing up matters for R.E.A.L. because it is an opportunity to:

- Build **R**outines
- Increase **E**ngagement
- Provide **A**ccess to resources
- Support **L**earning

**ATTENDANCE
MATTERS**
ALL DAY, EVERY DAY

Routines: Establishing a routine of daily attendance helps reduce stress at home, and supports a habit of attendance that will help your child get and keep a job.

Engagement: Being in school helps students to get to know each other and school staff and builds relationships that can motivate participation in learning.

Access to Resources: Schools provide access to valuable resources such as meals, health and mental-health supports and fun enrichment activities such as sports, clubs, music, and other afterschool and summer programs.

Learning: Students who attend school regularly do better academically in middle school and are more likely to graduate from high school.

Congratulations Students of the Month

Students of the Month for October are, from left, sophomore Taylor Hudson, freshman Sierra Skaggs, junior Raegan McKinney and senior Deziray Bootenhoff.

Students are nominated by and voted on by staff.
