Students enjoy school closures, make-up days ahead

Sisters junior Laighla Hockema and sophomore Lilly Hockema lay on the frozen grass near their house.

Following our school closures this week, the following weather potential make-up days may be used for the 2023-2024 school year:

- February 19
- May 24
- June 17

Student parking permits required

Just a reminder all students are required to register their vehicle to park in the school parking lot and the gravel lot beside the school. As the year has progressed, we are seeing more and more unregistered vehicles. Please help your student register any vehicles they will be driving to school by going to the [PHS website](#) and filling out the [Parking Permit Registration](#). Cost is \$5.

Graduate EVERY student and transition each of them into a job, training, or college.
