Les Schwab Tires selected the Philomath High School Boys Basketball team for its performance, dedication in the classroom, and service to the community as the January Team of the Month.

Prospective Family Night planned

On Tuesday, March 19 at 6:30 pm we will hold a prospective family night. This is for incoming eighth grade families and any students that may be looking to transfer to Philomath High School.

Students and families will hear about all that PHS has to offer. After a short presentation they will have a chance to take part in our activity/club fair where they can meet coaches, club advisors, teachers, and learn about our programs first hand.

If you know of any families that are currently in other neighboring districts that may be looking for a change, please pass along this information.

Graduate EVERY student and transition each of them into a job, training, or college.
