## Trimester 3 begins March 20

This week PHS is finishing Trimester 2. Teachers will be working hard on Friday to finalize grades and get things ready for new classes on Monday. Students have already picked up their new schedules.

If any changes are needed, please remind your child to use the add/drop Google Form linked on our website under the counselor's page or with this [link](#). All students should follow their schedule until called into the Counseling Office or they have received a new schedule. This form will provide their counselor with the information they need to make most changes. If they need to talk with their counselors, they can sign up in the Counseling Office and wait to be called down.

Last day to make changes to schedules is March 24 at 3:30 pm. We cannot believe how fast this year is going, but are looking forward to the many upcoming events this spring.

*Graduate EVERY student and transition each of them into a job, training, or college.*
