Students inducted into National Honor Society

National Honor Society held its induction ceremony Wednesday night at PHS. Students are nominated to join NHS based on their "outstanding display of scholarship, character, leadership and service," according to the club. Students must maintain a 3.5 GPA, and participate in NHS sponsored activities and community service projects. According to Saff Evans, NHS advisor, 36 students were invited to join National Honor Society this year. Of those, 33 students accepted the invitation (not all were present at the induction).

Graduate EVERY student and transition each of them into a job, training, or college.
