Teacher Appreciation Week

This week we celebrated all the great things our certified staff do to make PHS such a special place to be. Most of the staff not only teach classes, but are also involved in extra curricular activities and clubs to support students interests.

Students took time to write notes to one or two teachers who make a difference in their lives.

Mr. Henderson BBQed for a staff lunch Friday.

Thank you to all of our fabulous teachers

Students wrote thank you notes to teachers in honor of Teacher Appreciation Week and they had some really nice things to say. Here are a few samples of their work.

Thank you Dr. Cerny for making Physics a fun class. I really enjoy the hands on experience of the class and it has really helped me understand the material.

Thank You Scherm. Thanks for being entertaining and funny. Your class is always a joy and I learn plenty. P.S. You are a great coach too.

Dear Mrs. Carter,
Thank you for all of the knowledge and wisdom you have shared in personal finance and healthy relationships. All of the skills I've learned in HR have been helpful and personal finance was a very valuable and interesting class. I am grateful for your passion to help students learn and understand.

Mrs. Heidinger,
Thank you for being so kind and patient in art class and ceramics! And thank you for always hyping up my artwork even if I myself don't think it's that good!

#ThankATeacher
Dear Mrs Bennitt,
Thank you for teaching me how to make better and healthier food to give to my family. It a skill I will use for a while.

Dear Mr. Kelly,
Thank you for challenging me in English this year. Having you as a teacher has allowed me to push myself as a writer and think differently before approaching a prompt. Your support and help through College Writing is greatly appreciated.

Hey Miss A,
I really appreciate your flexibility in assignments and how you are always there to help with whatever I'm working on. Sometimes I get really lost and totally forget Spanish structure and you know just how to fix it. Thank you so much for being such an amazing teacher

Mrs. Carter's health occupations class took a field trip to the College of Veterinary Medicine at Oregon State University. Students toured the facility and learned more about the program from a current vet student. Students in health occupations have the opportunity to observe and assist health care providers through tours, speakers and work site observation rotations.
