Official Newsletter of Philomath High School

Year in Review from Mr. Henderson

I would like to again congratulate the Class of 2023 on their graduation from Philomath High School. It has been a pleasure serving as your principal. I would also like to thank all those parents and guardians who supported not only our graduates but all of our students. We are so blessed to be a part of such a caring and supportive community!

The 2022-2023 school year brought about a lot of positive change at PHS. The school climate and culture are trending in the right direction, we have an amazing staff that cares about our students as people, not just as students to be filled up with knowledge, and our student body is full of young people ready to be challenged. The future is bright at PHS and I couldn't be more excited about what our future holds. Have a great summer and we'll see you in 2023-2024.

Mrs. Blythe retires, plans new adventure

Mrs. Blythe is starting a new adventure in retirement. She and Greg, her husband, have sold their home here in Philomath, downsized to a 10x10 storage unit and a Tesla. They will begin traveling in the US and then abroad to find their new home in the future. This is something they have been planning for years and are excited about the many places they will get to visit.

We will miss the fun she brought to PHS these last six years. We are excited to see the many places they visit and updates they send our way.

Good luck Mrs. Blythe, safe travels!! Don't forget us and remember...Once a Warrior, Always a Warrior!

Pride Rising group planned

Pride-Rising is a safe space for high school-aged youth to meet and build positive relationships with other LGBTQIA+ members who live in and around Benton County. The group will begin June 22 and meet every other Thursday through the end of the summer at Corvallis Community Center, Linden Room #219, 2601 NW Tyler Ave. in Corvallis. Contact Benton County's Children and Families team, Elizabeth Perkins, Angelica Garcia or Payton Burton, at 541-766-6767.
