Seniors paint parking spots

This year you will notice some decorated parking spots around campus. Seniors were able to pay \$25 to reserve and decorate their own spot for the school year. Each student can paint a 4 ft X 4 ft square. It has been fun to see the different designs appear. The money raised will be used to paint over the spots for the future senior class. Above are a few examples of spots that have already been completed.

Homeroom to include Personalized Learning Day's

This year we will have three Personalized Learning Day's, one per trimester, scheduled for students to handle many of the activities that were previously taught in homeroom. These activities include:

- Digital Citizenship
- Native American History
- Social Emotional Education - learning about our emotions
- Erin's Law
 - 9th Grade: Relationships 101 (health vs. unhealthy relationships)
 - 10th - 11th Grade: Love Languages
- Drug & Alcohol Education - Fentanyl
- YouScience: Interest Inventory with Aptitude tests
- Career Education
- Homeroom Activities
- Resumes
- College Visits
- FAFSA Prep
- Four Year Plans
- Transcripts

This will be an opportunity for students to meet many of their graduation and the State of Oregon's educational requirements. Parents are able to opt their child out of Erin's law lessons. A Google form will be sent out next week.

THANK
you

We wanted to take a moment to thank everyone who came to Back to School Night on Wednesday. It was a great success thanks to you!!

Important Synergy update

As everyone probably knows, this year we have a new School Information System, Synergy. We have been working hard to make things seamless for families, but there are a few areas that we are still working through.

- Transcripts in Synergy are not accurate right now (our counselors have the correct information and will reach out if there are concerns with your child, we hope this will be fixed soon).
- Grades are beginning to show up, but some might be missing.

We are hopeful that all classes will be posting correctly to Synergy's ParentVue soon. We will keep you updated.
