Alternate Transportation and Self-provided Transportation Liability Release

I acknowledge that allowing the student to provide their own transportation or arrange alternate transportation to off-campus locations involves inherent risks, including but not limited to physical injury, emotional harm, property damage, and economic loss. Participation in this extracurricular activity is voluntary and not required by the School District; alternative options without these transportation risks are available.

In consideration of the student's participation in this voluntary activity, both the student and I agree to waive, release, hold harmless, indemnify, defend, and discharge the Philomath School District, Philomath High School, their Board of Directors, officers, agents, employees, volunteers, and representatives from any and all claims, losses, causes of action, or demands, including attorney fees, arising from or related to the student's participation. This release extends to claims resulting from negligent actions by the District or its personnel, to the fullest extent permitted by law, and applies on behalf of myself, the student, and our respective estates, heirs, administrators, executors, assignees, and successors.

I certify that I possess the legal authority to execute this Agreement on behalf of myself and the student. This Agreement is intended to be interpreted as broadly as legally permissible. Should any provision be deemed invalid or unenforceable, the remaining provisions shall remain in full force and effect.

This form needs to be turned in to Administration a minimum of 24 hours in advance of the activity.
