General Information for Substitutes 2020-21

Welcome to the Philomath School District. We hope the following information will answer basic questions you may have about substituting in our District.

Registering

Substitutes must complete an Application Form, Information Release, Disclosure Release, I-9 Employment Eligibility, W-4 and Payroll Direct Deposit form, and complete the online courses: *Child Abuse: Mandatory Reporting; Sexual Conduct: Staff-to-Student (OR); and Student Drug & Alcohol Abuse* through the SafeSchools website. The completion certificates must be on file before you will be activated on the sub roster. Teachers must also provide a copy of their current licensure from Teacher Standards and Practices Commission (TSPC).

The paperwork listed above must be returned to the District Office in person. Classified substitutes will then be given information about scheduling an appointment with *Fieldprint* to have their fingerprints taken, initiating the Criminal History Background Clearance.

Scheduling

At this time, the Administrative Assistant from each building will call to schedule any substitutes. They will call ahead of time if a staff member has a planned absence. If our employee wakes up in the morning and is ill or has another emergency, the Admin Assistant begins calling at that time to locate a sub. These calls usually occur between 5:30 and 6:30 a.m. If you do not want any early a.m. calls, please let the District Office know so this may be noted on the substitute roster.

Pay varies depending on the type of job you're substituting for. Pay range is from \$12.23 - \$18.28 per hour.

Pay periods run from the 16th of one month through the 15th of the next. Payroll is the last business day of the month. Direct deposit is highly encouraged as payroll checks may get lost in the mail. A pay stub is either sent to your email address or mailed to your home showing your direct deposit on pay day.

W-2's for tax purposes are mailed by January 31 of each year for the previous year's wages. If your address has changed during the year, please check your December pay stub (or the last stub you received prior to December) to verify where your W-2 will be mailed to.
